Notes for volunteers week commencing 10th November 2008

Christmas Fair

Please be aware of the upcoming Christmas Fair taking place on Friday 28th November from 1.30pm, this is a Friday Forum date. We are needing donations of baked goods for a cake stall, as well as GOOD QUALITY bric a brac (for sale and raffling off). We have a lady selling charity cards, wrapping paper and other items who will donate a percentage of her profits to us.

We will also have a card making stall, a present wrapping station and this will also be the last day for selling the raffle tickets (see below). We will also be selling refreshments and Jane Parr will be in doing Beauty Therapy. Hilary will be bringing in her oils and Dot some hand made jewellery.

The event is open to anyone not just members, and hopefully will be being advertised in the local papers.

We will need to have some additional volunteers for this day, please let me know if you can assist. Our own Nerve Centre calendar will also be on sale.

Raffle

In the till there are some raffle tickets for sale to our members and people on the outside, I have sent some out to groups who know us and there is a record of this also with the remaining tickets. Please note we are asking for items for raffling but they will include the top prize of a Deluxe hamper (see below) the fitting of a security light by an electrician, iron, toaster, kettle, electric can opener, sweets, bottle of wine with teddy - other prizes to be advised nearer the time. Tickets are £1 each, in books of 10. If someone wishes to take away a whole book to sell they can do so, just fill their details in on the form and advise they must return by 28th November

at the latest if sold. Draw is on 2nd December and tickets will need to be cut along the line so we keep the buyers details on the stub and the person buying retains their ticket with number.

Donations for Christmas Hamper/raffle

There is a list out on reception for people to donate items for the hamper which is being raffled, they will need to bring the items in asap so that we know what we have in advance. We also want other items to be sold on stalls or used as raffle prizes so the more that people can bring in the better!

Many thanks for taking the time to read this!
